This publication captures a snapshot of the Class of 2019, with photos, facts, and just a few of the scholarships and awards garnered by members of this outstanding group of students. We know that many, many more of our students earned prestigious honors and scholarships that are not part of this publication. And we estimate that listing just the names of all of our graduates would take 86 pages! Congratulations to all of the members of the Class of 2019.

We are so very proud of you!

**Front and back covers:** The 2019 graduating class of Gwinnett School of Mathematics, Science, and Technology
A Salute to Our Seniors

Oh, the places they’ll go! For the 13 years of their K–12 academic careers, our graduating seniors have been working toward the moment when they would cross the stage, receive a diploma, and turn their tassel. And that day’s finally here for our largest-ever class of nearly 13,000 on-track graduates! Graduation ceremonies for the district’s 22 diploma-granting high schools started with Phoenix HS on May 20 and wrap up on May 27 with Discovery HS. (A 23rd high school, Paul Duke STEM HS, opened in 2018–19, but without a senior class. The Class of 2020 will be the first graduates for the new theme school.)

College, careers, military service, and travel are among the next stops for our 2019 graduates. In the fall, most seniors—82%—are headed to universities, colleges, and postsecondary schools in Georgia and around the country. Most of these students (84.5%) will attend school in Georgia, with 85% enrolling in a four-year college or university and the balance attending a two-year college or technical college. Among the students heading out of state, 43 will matriculate at one of the eight prestigious Ivy League schools. We have more than 1,300 students attending one of the top 50 schools in the country or one of the top 25 public colleges or universities in the U.S. (based on U.S. News & World Report ranking).

And our seniors will have financial help to complete their education. As of April 2019, our graduates have been offered close to $203.7 million in academic, athletic, and military scholarships, with 18% of college-bound graduates offered at least one scholarship. Academic achievement earned offers of nearly $104.3 million, including large, multi-year scholarships such as 9 Posse Scholars, 2 Horatio Alger Scholars, and 1 KPMG Future Leader. What’s significant is the number and amount of scholarships that were not yet announced when senior information was compiled in April, including HOPE awards (typically, about a third of graduates), National Merit Scholars and the full-ride scholarships awarded to GCPS’ 17 QuestBridge National College Match Scholarship recipients and 4 Gates Scholars. Student athletes earned more than $91 million in athletic scholarships.

Service to country continues to be a call answered by GCPS grads. The nation’s five military service academies—Air Force, Army, Navy, Coast Guard, and Merchant Marine—offered appointments to 21 young leaders, representing more than $8.3 million in scholarships. A total of 11 high schools had 1 or more appointments, with 3 appointments at Grayson, Mountain View, and South Gwinnett and 4 at Peachtree Ridge. A total of 471 seniors will serve their country through military service after graduation, including cadets who honed their leadership skills in Junior Reserve Officer Training Corps (JROTC) units at 14 GCPS high schools.

About 1,200 students will enter the workforce after high school, many armed with credentials and certificates earned through our career and technical education programs and sought after by local employers. Students graduating from the district’s Academy high schools—Berkmar, Central Gwinnett, Discovery, Lanier, Meadowcreek, Shiloh, and South Gwinnett—complete high school with valuable exposure to college majors of interest and experience in potential careers. Another 500+ seniors have other post-graduation plans—from “gap year” travel to mission work.

And records are made to be broken. A record number of seniors are graduating with a grade percent average of 90 or better. Among our 3,592 Honor Graduates are each school’s highest ranking students—the valedictorian (1st in class) and the salutatorian (2nd in class). Well over half of Gwinnett seniors—7,036—took on the challenge and rigor of college-level Advanced Placement (AP) or International Baccalaureate (IB) courses during high school. And another record falls in 2019 as 1,619 seniors—an increase of nearly 400 students—got a head start on college through the state’s dual-enrollment program, earning both high school and college credit.
Most college-going Berkmar HS grads—92.1%—will pursue postsecondary studies in Georgia after graduation, with about three-quarters headed to a four-year college or university.

Nearly 60 Norcross seniors—about 10% of the class—have been accepted to attend one of the top 50 colleges/universities in the country.

Nearly 21% of Duluth seniors were offered at least one college scholarship.

Students graduating from the district’s Academy high schools—Berkmar, Central Gwinnett, Discovery, Lanier, Meadowcreek, Shiloh, and South Gwinnett—complete high school with valuable exposure to college majors of interest and experience in potential careers.

Berkmar seniors on parade.

Norcross seniors go all-out on Luau Day.

One in every four Mountain View grads was dual-enrolled, earning both high school and college credit.
More than a third of Archer seniors will walk the stage as Honor Graduates, completing high school with a GPA of 90 or higher.

Students graduating from Mill Creek were offered nearly $16.6 million in scholarships.

Senior classes with 700+ members (from largest) include those from Brookwood, Mill Creek, Peachtree Ridge, Norcross, Meadowcreek, North Gwinnett, and Collins Hill.

About 90% of Discovery seniors with college plans will attend college in Georgia.

Four Peachtree Ridge graduates will attend military service academies next year, the most academy appointments among GCPS high schools.

Grayson seniors were offered $23.1 million in scholarships, including $14.7 million in athletic scholarships.

Dacula graduates were offered $15.4 million in scholarships.

Peachtree Ridge seniors double up as twins.
A Central Gwinnett senior is the third of three GCPS graduates in one family with a near-perfect family attendance record. The older boys, both GSMST grads, clocked 180 days every year, K–12, while the youngest missed one partial day during kindergarten. That’s it! A collective attendance record of 7,019 days in class.

Almost 60% of Meadowcreek seniors got a jumpstart on college coursework by taking one or more AP classes during high school.

GOC’s Graduate Gwinnett program graduated more than 85 students, including 18 Honor Graduates. The program offers individualized online learning, and face-to-face support as needed, for students who might not otherwise be able to complete their high school education due to family responsibilities, illness, or work. Since the program began in 2015, 282 students have earned their diploma through Graduate Gwinnett.

Some 22% of Panther grads were offered one or more scholarships.
Duluth seniors register to vote. More than 50 South Gwinnett seniors have made a commitment to military service after graduation, including three service academy appointees and members of the school’s award-winning Army JROTC unit.

After graduation, 84% of Collins Hill seniors have plans for postsecondary studies.

Six out of every 10 Phoenix graduates with college plans will continue their education at a two-year or technical college, many building on career-focused courses taken in high school.

Brookwood had a record 135 seniors earning high school and college credit through dual enrollment.

Seniors in Brookwood’s Aquaponics program are headed to a Honduran school after graduation to help a school fix a problem with its hydroponics system.

Every GSMST senior took AP classes during high school.

Nine North Gwinnett grads will attend one of the eight Ivy League colleges and universities and nearly 200 more seniors will attend top-tier institutions.

Collins Hill seniors on College Signing Day.

More than 50 South Gwinnett seniors have made a commitment to military service after graduation, including three service academy appointees and members of the school’s award-winning Army JROTC unit.

Of Shiloh graduates headed to college in the fall, the vast majority (85.7%) will attend a four-year college or university.

National Scholarship Winners

2019 Gates Scholars

The Gates Scholarship eliminates barriers to college for high-potential, low-income minority students. Funded by The Bill & Melinda Gates Foundation, the all-expenses-paid scholarship is awarded to 300 students per year. In addition to funding, The Gates Scholarship provides further support to Scholars—by engaging with them and their institutions in a variety of ways—to ensure they have access to the resources and services they need, from their first to last day of classes, through graduation and the transition to their chosen careers.

Joseph Zhang of Gwinnett School of Mathematics, Science, and Technology
Jayden Eccleston of Mountain View High School
Edith Siyanbade of Mountain View High School
An additional student has been honored with this scholarship, but has declined to be listed in this publication.

2019 Posse Scholars

Founded in 1989, the Posse Foundation identifies public high school students with extraordinary academic and leadership potential who may be overlooked by traditional college selection processes. Posse extends to these students the opportunity to pursue personal and academic excellence by placing them in supportive, multicultural teams—Posses—of 10 students. Partner colleges and universities award four-year, full-tuition leadership scholarships to Posse Scholars. Posse Scholars go on to graduate at a rate of 90% and make a visible difference on campus and throughout their professional careers. GCPS seniors honored as Posse Scholars are:

**Archer High School**
Madison Saunders—Texas A&M University

**Berkmar High School**
Aileen Garcia—The College of Wooster

**Brookwood High School**

**2019 National Merit Semifinalists**

The 2019 National Merit competition began with results of the 2017 Preliminary SAT/National Merit Scholarship Competition Qualifying Tests, taken in the junior year. Last fall, semifinalists were designated, based on the highest scores in the states that make up each region. A rigorous selection process determines finalists for scholarship awards. Most National Merit scholarships are one-time awards of $2,500. Corporate-funded scholarships are marked with an asterisk and NMSC-funded scholarships are marked with two asterisks. Additional scholarships will be awarded by colleges in June and July to students in this list.

### 2019 Service Academy Appointments

The U.S. Service Academies are four-year postsecondary institutions that combine educational excellence with military officer training. Students accepted to the academies receive a free, four-year education in return for a commitment to serve in the active-duty military after graduation. In order to be admitted, students must receive a congressional nomination from either their U.S. Representative or Senator and must meet the highly competitive educational and extracurricular standards that are set by the individual academies as well as standards for physical aptitude and medical fitness. The following 21 GCPS seniors were offered service academy appointments.

- **Archer High School**
  - Emmanuel Michel — U.S. Air Force Academy

- **Berkmar High School**
  - Jennifer Arreola-Meliton — U.S. Merchant Marine Academy

- **Brookwood High School**
  - Joseph Garcia — U.S. Naval Academy
  - David Key — U.S. Naval Academy

- **Grayson High School**
  - Daniel Lett — U.S. Air Force Academy
  - Jazmin Robinson — U.S. Naval Academy
  - Jordan Williams — U.S. Air Force Academy

- **Gwinnett Online Campus**
  - Alexander Mobley — U.S. Military Academy at West Point (Army)

- **Lanier High School**
  - Ejai Washington — U.S. Naval Academy

- **Mill Creek High School**

### 2019 U.S. Presidential Scholar

The U.S. Presidential Scholars Program was established in 1964, by executive order of the President, to recognize and honor some of our nation’s most distinguished graduating high school seniors. Each year, up to 161 graduating seniors are honored as Presidential Scholars, one of the nation’s highest honors for high school students.

**U.S. Presidential Scholar**

Vani Senthil of Duluth High School (one of three in Georgia)

### 2019 Georgia Scholars

The Georgia Scholar Program is a recognition program by the Georgia Department of Education honoring high school seniors who have achieved excellence in school and community life. GCPS has 33 of 260 students named Georgia Scholars, 13 from Brookwood.

Career and Technical Education: The Class of 2019

Thousands of students take Career and Technical Education (CTE) courses during high school, giving them exposure to the work world and preparing them for college and careers. Here are a few stats from this year’s CTE seniors:

- **Work-Based Learning (WBL)** allows students to apply knowledge and skills from the classroom to real-life situations in the workplace. A total of 1,236 seniors participated in WBL, earning nearly $3.17 million this school year.

- A total of 3,731 seniors completed a **Career Pathway**, a concentration of three to four designated technical and/or academic courses that offer a seamless path to postsecondary work in college or technical school in a career field. (That’s nearly double the number of pathway completers the previous year!) Many students also pursue industry-specific certificates, credentials, or endorsements related to a Pathway.

- Hundreds of students participate in **Junior Reserve Officer Training Corps (JROTC)** units at 14 GCPS locations, including 166 members of the Class of 2019. Some students will continue their ROTC commitment in college, with four JROTC cadets among GCPS’ 21 appointments to military service academies and 13 cadets earning ROTC college scholarships. Thirty-six JROTC seniors plan to enlist in the military after their high school graduation.

District winners were selected from among local school **Career and Technical Education Students of the Year** for outstanding work in the classroom and leadership in technical education student organizations. 2019 Gear Up for Graduation

This group of 196 seniors will graduate with their peers, thanks to the Gear Up for Graduation program. These seniors, who were not on track for on-time graduation, completed 8th and 9th grade coursework in one year. Rejoining their peers in 10th grade, these students completed all requirements to earn their high school diploma.

2019 STAR Students

Each STAR (Student-Teacher Achievement Recognition) student is the senior in the top 10% of his or her class with the highest SAT score. The STAR students from four high schools (noted with asterisk) share the title of Gwinnett County’s 2019 STAR Student for the highest SAT score among the members of the Class of 2019. As part of the recognition, each STAR student selects a teacher as an educator who had a strong influence on his or her academic career.

2019 Outstanding Senior Athletes

The Outstanding Senior Athlete Award is presented to a male and female student at each high school and in the Gwinnett HEAT (adapted sports program) who has shown excellence in athletics, academics, and leadership roles in the school and community service. These students are not necessarily the best athletes in their senior class, but have shown to be outstanding in a variety of areas. The activities director at each high school works with the coaching staff to select the students who will represent their school. All outstanding senior athletes received a $250 award, and four student-athletes (noted with asterisk) were awarded additional $500 scholarships.
