

2015 - 2016

Local School Plan for Improvement

Meadowcreek Elementary School

Laurie A Gardner, *Principal*

Clay Hunter, *Executive Director*

Accountability and flexibility are hallmarks of Gwinnett County Public Schools' success. Key to that success is ensuring that each school community understands the progress being made by its schools, as well as what plans will drive improvement. Each school creates a collaborative Local School Plan for Improvement (LSPI), with targeted goals based on student achievement results. These goals are dynamic, like our schools, and are updated to reflect changes that occur in schools. Data is used to determine areas needing improvement and to identify specific, measurable, annual objectives. Schools then determine how to use research-based strategies to achieve these goals, using flexibility as needed. The LSPI development process involves teachers, parents, and community members, so the entire school community has the opportunity to be involved in conversations about school improvement. Please contact the local school principal for more information about the school's plan and progress.

- **Long Term Goal**

We will build our parents' capacity to support their children's academic achievement by implementing the activities identified in the Parent Involvement Policy and School/Parent Compact.

- **Long Term Goal**

Meadowcreek Elementary will meet or exceed the number of students predicted to be College and Career Ready through decreasing the number of student office discipline referrals, increasing the number of days students are present at school, and increasing the number of students who are demonstrating passing grades in all of the core content courses. Additionally, we will create a sustainable, positive school climate that fosters student development and learning, which are essential elements for academic success, career-skill improvement, and overall quality of life.

- o **Annual Goal**

Meadowcreek Elementary will increase classroom success rates in core subject areas as determined by mastery of the AKS.

70% of Meadowcreek students will miss fewer than 6 days of school in the 2015-16 school year compared to 39% in the 2014-15 school year.

Meadowcreek office discipline referrals will decrease from 84 in the 2014-15 school year to 65 or less in the 2015-16 school year.

- **Long Term Goal**

100% of Meadowcreek students will demonstrate increased performance on the Math, Language Arts, Science, and Social Studies GMAS subtests from the 2014-15 baseline year. A minimum of 50% of students will perform in the Distinguished Learners range by 2017-2018. Individual students will meet or exceed their expected levels of performance/growth on each GMAS subtest.

- o **Annual Goal**

100% of students who participate in SPGs (K-3) and District Assessments (3-5) will make expected or high growth on the English-Language Arts (K, 4-5), Math(1, 2, 3, 4, 5), Science (3-5), and Social Studies (3-5) District Assessments as measured by the SPG Rubric. In addition, 30% of these students will show high growth. 100% of students in grades K-5 will make at least one year's growth in Reading as measured by Fountas and Pinnell Reading Assessments.

- **Long Term Goal**

Meadowcreek Elementary will perform above the CCRPI line of regression based on free and reduced lunch percentages. The percentage of students who will outperform predicted levels of performance on the ITBS based on their CogAT scores will increase each year.

2015 - 2016

Local School Plan for Improvement

Meadowcreek Elementary School

Laurie A Gardner, *Principal*

o Annual Goal

Meadowcreek will perform above the CCRPI line of regression based on free and reduced lunch percentages. Meadowcreek students will outperform predicted levels of performance on the ITBS based on their CogAT scores.

All ELL students will move from one performance band to a higher performance band as measured by 2016 ACCESS.

All Students with Disabilities will be served in the least restrictive environment based upon progress towards individual goals and objectives as measured by student progress monitoring data.

• Long Term Goal

Parent, staff, and student perceptions of Meadowcreek Elementary will reflect high levels of confidence in our ability to sustain a positive school culture that reflects high expectations and values stakeholder input. This will be measured by perception survey results that exceed the GCPS average annually.

o Annual Goal

Parent, staff, and student perceptions of Meadowcreek Elementary will increase over 2014-2015 perception results (baseline), and the mean score will be higher than that of the district average.
