## Good Food and a Good Value

- For elementary students, a student breakfast costs \$1.50 and a student lunch is \$2.25.
- Students who qualify for reduced-price meals pay \$0.30 for breakfast and \$0.40 for lunch.
- Students also may qualify for free meals.

### How do you know if your student qualifies for a free or reduced-price meal?

Go to [www.gwinnett.k12.ga.us/gcsnp.nsf](http://www.gwinnett.k12.ga.us/gcsnp.nsf).

### How do you apply for free and reduced-price meals?

- Request a Free and Reduced-Price Meal Application from your child's school, or apply online (beginning July 1, 2018) at [gwinnett.schoollunchapp.com](http://gwinnett.schoollunchapp.com).
- Provide all required information so your child's application can be processed. Incomplete information will delay the process.
- Allow 10 days to process the application.
- Check your application status at [gwinnett.schoollunch-status.com](http://gwinnett.schoollunch-status.com).
- If you have children currently receiving free or reduced-price meals in a Gwinnett County school, your kindergartner may be eligible for free or reduced-price meals for the first 30 days of school while your child's application is processed. **Please request and fill out a copy of the Kindergarten Sibling Form.** Return the completed form to the cafeteria.

**We invite you to join your child for lunch in the cafeteria.** Check with your school about procedures.

We feel that once you experience the quality and variety of healthy choices we offer, you will better appreciate the time-savings and value that school meals offer. **We hope to see you soon in our cafeteria!**

## Manage Your Child's Meals

Our School Nutrition Program is self-supporting and receives no local tax dollars. The financial health of our program depends on parents keeping accounts up to date. We encourage parents to pre-pay to ensure their child's account always has funds to cover meals. You can pre-pay by the week, by the month, or for the entire year.

- With *MyPaymentsplus.com* you can make payments directly to your child's account using the Internet.
- If you send a check, please write your child's full name and account number in the memo area of the check.
- If you send cash, place the cash in a sealed envelope and write your child's full name, account number, and the amount of cash sent on the front of the envelope.
- If you are sending money in for more than one child, include the information for each child.
