Gwinnett students qualify for national leadership conference

Forty Gwinnett County Public Schools (GCPS) students earned top honors at the 2018 Technology Student Association (TSA) State Leadership Conference. TSA is a national co-curricular organization that provides opportunities for leadership and career development for students engaged in technology, innovation, design, and engineering through curriculum-based activities and competitions. More than 233,000 students are involved with TSA nationwide. GCPS winners will now have the opportunity to compete at the TSA National Leadership Conference in Atlanta in June.

In addition, Parkview High School's career and technical education chapter was named Overall State Champion and Georgia Technology Day Superior Overall Chapter. Gwinnett School of Mathematics, Science, and Technology placed 3rd and Peachtree Ridge High School took home 7th place. The following are the results from the TSA State Conference.
