Local School Plan for Improvement

Beaver Ridge Elementary School

Karen W Lillard, *Principal*

Dr. Donna Ledford, *Assistant Superintendent*

Accountability and flexibility are hallmarks of Gwinnett County Public Schools' success. Key to that success is ensuring that each school community understands the progress being made by its schools, as well as what plans will drive improvement. Each school creates a collaborative Local School Plan for Improvement (LSPI), with targeted goals based on student achievement results. These goals are dynamic, like our schools, and are updated to reflect changes that occur in schools. Data is used to determine areas needing improvement and to identify specific, measurable, annual objectives. Schools then determine how to use research-based strategies to achieve these goals, using flexibility as needed. The LSPI development process involves teachers, parents, and community members, so the entire school community has the opportunity to be involved in conversations about school improvement. Please contact the local school principal for more information about the school's plan and progress.

- **Long Term Goal**

The percentage of Beaver Ridge Elementary School students in grades 3, 4, and 5 achieving in the proficient/distinguished range on the mathematics and language arts sections of the Georgia Milestones State Assessment will continue to increase annually to 60% by 2020-2021.

- o **Annual Goal**

Beaver Ridge Elementary will increase the percentage of students scoring in the Proficient/Distinguished range on the 2019 Georgia Milestones Language Arts Assessment in third grade from 30% to 40%, in fourth grade from 32% to 40%, and in fifth grade from 32% to 40%. In addition, 90% of Beaver Ridge Elementary students in grades 1-2 will demonstrate at least one year of growth based on their Fountas and Pinnell Reading Level and 90% of Beaver Ridge Kindergartners will be reading at a level D or higher by the end of the year.

- o **Annual Goal**

Beaver Ridge Elementary will increase the percentage of students scoring in the Proficient/Distinguished range on the 2019 Georgia Milestones Mathematics Assessment in third grade from 37% to 45%, in fourth grade from 36% to 45% and in fifth grade from 25% to 40%. Beaver Ridge Elementary Kindergarten-3rd grade students will score at or above the district average on the Mathematics SPG assessment.

- **Long Term Goal**

We will build our parents' capacity to support their children's academic achievement by implementing the activities identified in the Parent Involvement Policy and School/Parent Compact.
