GCPS music and vocal artists named “All-State”

Some **Gwinnett County Public Schools (GCPS)** student musicians and vocalists were recently named among the best in the state. More than 370 GCPS middle and high school students have been named to the **Georgia Music Educators Association’s (GMEA) All-State Band, All-State Orchestra or All-State Choir**. Students must go through a rigorous audition process in order to be selected for this highly prestigious event. The talented artists competed against thousands of students from around the state and were selected based on two auditions. Members of the three All-State performing groups came together from around the state to perform at an event in Athens, Ga., earlier this spring.

The following students were named All-State:
