More than 400 GCPS retirees set to seek new horizons

As the 2019–20 school year comes to a close, **436** veteran educators and support staff members will mark their retirement from Gwinnett County Public Schools (GCPS). In total, our 2019–20 retirees have contributed a collective **10,467** years of their lives to education, and a total of **8,759** years to Gwinnett schoolchildren. In fact, **60.8% (265)** of our retirees have worked their entire careers—in the classroom, office, cafeteria, bus, or shop—in this school system. Among this year’s retirees, **131** have **30** or more years of service in education, **13** have invested **40** or more years in education, and one retiree has **48 years** in education!

Our retirees include one associate superintendent; one executive director; three principals; veteran central office leaders; a number of longtime support staff members; and many administrators, classroom teachers, counselors, and media specialists. Whatever their post-retirement plans, best wishes go with all of our retirees, along with our thanks for their service to Gwinnett County Public Schools.

This list reflects the 436 retirees who announced their plans by May 1, and includes only those retirees who approved their names to be shared when they completed the GCPS Retirement Office questionnaire. A number of retirees chose not to have their names included in this list. The years of service are self-reported by the retirees. The 2019-20 retirees for GCPS are:

- **Kathleen Ahern**, Teacher, Patrick ES, *30 years in education, all in GCPS*
- **Leslie B. Aiken**, Executive Director, Accountability and Assessment, *26.4 years in education, 25.3 years in Gwinnett*
