

# GCPS to provide school meals free of charge through Dec. 31

The U.S. Department of Agriculture (USDA) has granted additional waiver extensions that allow school districts to offer meals at no charge through **Dec. 31** under the Seamless Summer Option (SSO). This extension, paired with guidance received from the Georgia Department of Education, will allow Gwinnett County Public Schools (GCPS) to offer meals at no charge at all school sites to all students, effective **Sept. 8**. These meals are provided at no cost to the individual through the federal School Nutrition Program.

## **Students Attending School In-Person**

Those attending school in-person will receive meals free-of-charge during their school’s scheduled meal times.

## **Curbside Pick-up for Digital Learners**

Digital learners may pick up meals through the curbside pick-up program at any designated pick-up location, Monday through Thursday, between 11 a.m. and 1 p.m. Each day’s pick-up includes both breakfast and lunch with Thursday’s pick-up including meals for Friday. Families should check with their local school for specific curbside pick-up times and the location of the pick-up program. Individuals will not be allowed to enter the school to pick up or eat meals.

## **Curbside Pick-up for Others, 18 Years of Age or Younger**

In addition, as part of the Seamless Summer Option, curbside pick-up meals will be available at no charge to anyone 18 years of age or younger, including children who are not GCPS students. Please check with local schools for curbside pick-up times and the pick-up location at the school. Individuals will not be allowed to enter the school to pick up or eat meals.

Gwinnett County Public Schools encourages families who are eligible for the Free and Reduced-Price Meal Program to complete the [annual application](#) to ensure meal benefits continue when this waiver expires. Note that those eligible for free- and reduced-priced meals may be able to access other types of public assistance or services that may be available during this pandemic.

***See other side for list of schools offering curbside pick-up for school meals.***

## **GCPS Schools Offering Curbside Meal Pick-up**

***Digital learners enrolled in Buice Center programs, Gwinnett Online Campus, Oakland Meadow School, Phoenix High School, and Gwinnett School of Mathematics, Science, and Technology may pick up meals at any school.***
