Frequently Asked Questions

What is the McKinney-Vento Act?

The McKinney-Vento Act is a law passed in 1987 and re-authorized in 2015 under the Every Child Succeeds Act. The McKinney-Vento Act removes barriers to access or success for homeless children in school.

How does the law define homelessness?

An individual is “homeless” who lacks a fixed, regular, and adequate nighttime residence. This definition of homelessness includes those living in shelters, motels, campgrounds, cars, abandoned buildings, or other inadequate shelter. The law also includes situations in which an individual shares housing with relatives or others because he or she has lost housing or cannot afford housing due to economic hardship.

What are my child’s rights under the McKinney-Vento Act?

A child considered homeless under the law has:

- The right to immediate enrollment in school without having health and school records available;
- The right to attend either the school of origin or the school in the attendance area where the family currently resides;
- The right to receive transportation to school of origin when feasible and in the best interest of the child, if requested by parent/guardian
- The right to access comparable services, including transportation services, educational services, supplemental services, extra-curricular activities, and free meals through the School Nutrition Program.

Homeless children and youth may not be stigmatized by school personnel

Families of homeless children and youth have the right to dispute enrollment if the local school sends the homeless child or youth to a school other than the school of origin requested by the parent/guardian or by an unaccompanied youth.

If my child and I become homeless during the school year what should I do?

Ask to speak to your child’s counselor or school social worker.

Who can I call if I need assistance??

Contact the GCPS homeless liaison or the school social worker who serves your child’s school.

If I have an enrollment dispute, what are my options?

If a dispute arises over school selection or enrollment in a school;

- The child or youth shall be immediately admitted to the school in which enrollment is sought, pending resolution of the dispute.
- The parent/guardian of the child or youth shall be provided with a written explanation of the school’s decision regarding school selection or enrollment.
 - If the matter is not resolved at the school level, the Homeless Liaison shall carry out the dispute resolution process as quickly as possible after receiving notice of the dispute. In the case of an unaccompanied youth, the Homeless Liaison shall ensure the youth is immediately enrolled in the school pending resolution of the dispute.

If a parent/guardian of a homeless student requests enrollment of his or her child in the school that the student had been attending prior to becoming homeless (school of origin), the student will be immediately enrolled. The parent/guardian must complete the School of Origin Form which is sent to the Homeless Liaison for determination of local school enrollment. The decision will be based on the feasibility of enrollment and the best interest of the student. If the request for school of origin by the parent/guardian is denied by the Homeless Liaison, the parent/guardian may dispute the decision through the following process:

Process for Dispute Resolution

Step 1: Parent/guardian must respond in writing within five days from the receipt of the decision to deny enrollment in the school of origin to both the Homeless Liaison and the GCPS Executive Director of Academic Support. Failure to appeal in writing within five days will be considered to be acceptance of the enrollment decision. Information in the written request for resolution must be consistent with information originally presented to the enrolling school.

Step 2: The GCPS Executive Director of Academic Support will make a final school system determination of enrollment for the homeless student and respond in writing to the student’s parent/guardian.

Step 3: If the parent/guardian does not agree with the decision of the GCPS Executive Director of Academic Support, the parent/guardian must immediately appeal to the Georgia Department of Education for a final determination.
