Gwinnett Board of Education to hold Area Board Meetings

Beginning March 26, the Gwinnett County Board of Education will go on the road, as it does each year, meeting once in each Board member’s district. The meetings are a time for the School Board to share information with the public. They also are an opportunity to hear CEO/Superintendent J. Alvin Wilbanks’ annual address on the state of the school district, focusing on the district’s strategic direction and recent successes. Parents, citizens, and staff are invited to attend the meetings where they can use their smart phone, tablet, or laptop to access an interactive mobile website to participate in a Q&A session with the Board and Superintendent on the information shared.

The 2019 Area Board Meetings are organized by cluster. (However, citizens may attend any one of the five meetings.)
