

# Accountability Report

Issued 2019–20

## Peachtree Ridge

High School

Jadd Jarusinski, *Principal*

Dr. Reuben Gresham, *Assistant Superintendent*

### Local school improvement connected to district's strategic direction

Gwinnett County Public Schools' accountability system for improving schools is called the Results-Based Evaluation System (RBES). RBES fairly and systematically measures a school's progress, providing a process that clearly communicates expectations; reviews, monitors, and supports school performance; and evaluates that performance. This report reflects achievement data and state data reporting from the 2018–19 school year, as well as consolidated information on the school's effectiveness, based on multiple measures and student characteristics. Using the data in this report, school administrators, teachers, and parent advisory groups developed this year's Local

School Plans for Improvement (LSPI) which outline our improvement goals and guide the work we will do throughout the 2018–19 school year to support student learning. These improvement plans are connected to the school district's strategic direction and our core business of teaching and learning. Find our school's LSPI on the website. The Peachtree Ridge school council and school leaders collaborated on the highlights in this accountability report, which also serves as the school's annual report.

**Please review this report to learn more about our improvement efforts and progress.**

### CONTENTS

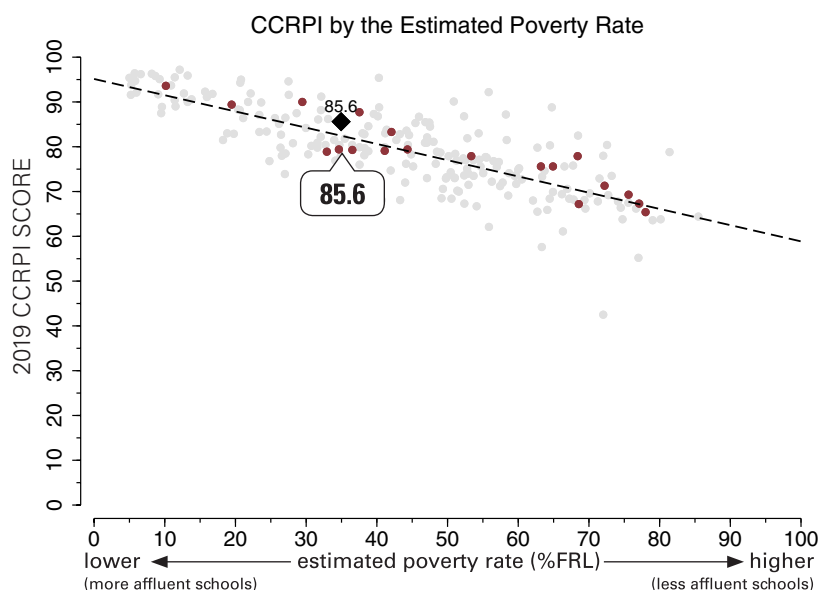

- About School Improvement and the School Effect
- 2018–19 Results
- 2018–19 State Reporting
- 2018–19 Highlights

### The School Effect: Putting Peachtree Ridge High School's CCRPI score in context

The “school effect”— the impact of what happens in the classroom— acknowledges the work of our faculty and staff in meeting our students where they are academically, and helping them to make progress, no matter where they start. Schools all strive to add value to a child's education from year-to-year, causing students to make academic gains. One way to measure effectiveness in educating *all* students is to review a school's score on Georgia's College and Career Ready Performance Index (CCRPI), adjusting for the level of poverty at the school, to see the school effect on students' academic growth.

This graphic representation plots CCRPI scores for high schools in the state (gray dots) against the percentage of the student population receiving free-and-reduced-lunch (FRL Percentage), a measure of poverty. The plotted points form a trend line representing the typical achievement level of a school in Georgia with its level of student poverty. The graph shows how Peachtree Ridge (represented by a large black diamond) and all GCPS high schools (maroon dots) fare when considering expected performance based on poverty measures. Dots above the line are higher-than expected scores and dots below the line reflect lower-than-expected scores. *Note: Georgia schools that serve breakfast and lunch to all students at no cost are not included in this comparison.*

## 2018–19 Results: College-Admissions Tests

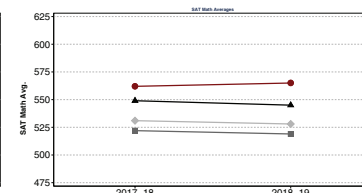

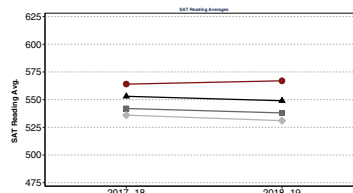

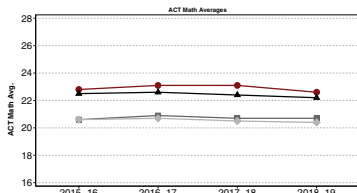

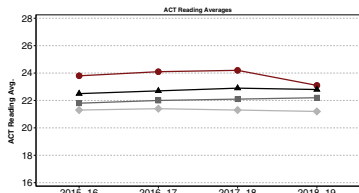

Students are encouraged to take one or both of the college-admissions tests that most colleges and universities require for admissions. The two tests—the SAT and the ACT—both assess college-readiness in language arts/reading and mathematics, with a science section on the ACT. Both the SAT and the ACT also have an optional essay component.

### 2018–19 ACT Averages

School	English	Math	Reading	Science	Total
Peachtree Ridge	22.6	22.6	23.1	22.6	22.8
GCPS	21.7	22.2	22.8	22.4	22.4
State	20.9	20.7	22.2	21.2	21.4
National	20.1	20.4	21.2	20.6	20.7

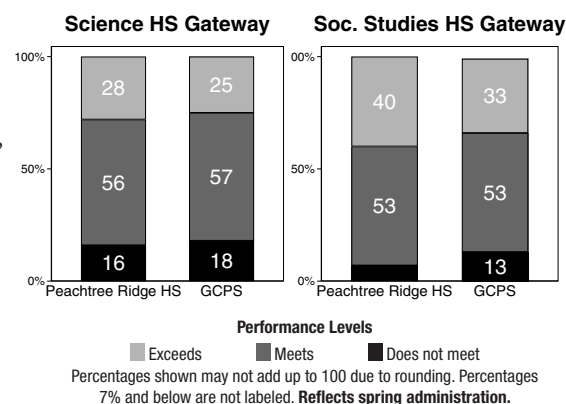

### 2018–19 SAT Averages

School	Reading/Writing	Math	Total
Peachtree Ridge	567	565	1132
GCPS	549	545	1094
State	538	519	1058
National	531	528	1059

## 2018–19 Results: High School Gateway Assessment

Gwinnett students must pass the school system's High School Gateway Assessment as a requirement for earning a regular diploma. Typically given in the 10th grade, the Gateway measures students' ability to write effectively about what they have learned in three courses taken in the first years of high school—Biology, Chemistry, and World History. Students write an essay on each topic, using their own knowledge and document-based information. Students regularly write essays and take assessments in class that mirror the Gateway format. This experience helps develop proficiency in content knowledge and writing skills required for college, career, and citizenship. To assist students, GCPS offers additional resources, tutorials, and practice opportunities. While most students are successful on their first try, those who are not have additional opportunities to take and pass the test.

## 2018–19 Results: Advanced Placement (AP) Exams

Advanced Placement (AP) courses are challenging, college-level classes taught by specially trained high school teachers. Students have the option of taking an AP exam at the end of the school year. Many colleges award credit for passing the exams or allow a student to exempt certain courses. The table below shows the percentage of students who took an AP class at Peachtree Ridge High, compared to the county average. The chart also shows the percentage of optional, course-specific AP exams taken, as well as the percentage of test-takers who scored 3 or better on a 5-point scale on one or more AP exams. In 2018–19, 15.1% of courses taken at Peachtree Ridge HS were AP courses, compared to 9.5% at all GCPS high schools.

AP Percentages	School Level	2016-17	2017-18	2018-19
% Students Who Took an AP Course	Peachtree Ridge	43.0	40.8	40.9
	GCPS	34.2	32.2	31.3
% AP Exams Taken	Peachtree Ridge	86.9	89.9	86.8
	GCPS	82.8	82.6	82.9
% Test-Takers Who Scored 3+	Peachtree Ridge	77.2	80.1	76.6
	GCPS	62.5	66.7	68.3

## 2018–19 Graduation Rate Information

The Graduation Rate is calculated using the number of students who begin 9th grade at the same time and graduate within four years with a regular education diploma. Students who take longer than four years to complete high school are not considered on-time graduates for the purpose of graduation rates, but they are not considered dropouts either. Additional students in the cohort will go on to graduate with a full diploma in their 5th year. Data shows that large numbers of students moving in during high school who are behind can have a negative impact on a school's graduation rate, just as having students move who can't be accounted for affects the rate. A number of GCPS initiatives—Credit Recovery, Online Campus courses, 7th period classes at Phoenix High, and summer school—offer students more opportunities to get and stay on pace for on-time graduation. GCPS is working to ensure that all students graduate, even if some students need more time to do so, and that all students are college- and career-ready.

### Graduation Rate (2016 to 2019)

School	2016	2017	2018	2019
Peachtree Ridge	91%	92%	91%	90%
GCPS	80%	81%	82%	81%
State	79%	81%	82%	82%

## 2018–19 Senior Report

	Students Completing HS†	Number Who Enrolled in College or Postsecondary School (Fall 2018)*	Number of Honor Graduates†	Seniors with Dual Enrollment†
<b>Peachtree Ridge</b>	766	568	305	72
<b>GCPS</b>	11,878	8,039	3,592	1,647

\*Based on the National Student Clearinghouse enrollment records

†Reflects system-reported data as of August 2019

## 2018–19 State Results: End of Course (EOC) Assessments

The Georgia Milestones Assessment System measures how well students have learned the knowledge and skills outlined in the state content standards for core subjects. High school students took an End of Course (EOC) assessment for courses designated by the State Board of Education. The higher bar set by Milestones is aimed at better preparing students for college and career and providing a more realistic picture of academic progress. The results factor in as 20% of a student's second-semester grade in the high school courses tested.

### Percentage of EOC Assessments scored Proficient/Distinguished

Assessment	Peachtree Ridge	GCPS	State
9th Grade Lit. and Comp.	74.2	67.2	58.8
11th Grade American Lit. and Comp.	61.8	53.7	46.2
Geometry	62.1	53.3	44.5
Biology	66.7	54.9	48.0
U.S. History	69.0	56.6	47.1
Economics	59.9	53.4	47.7

*Note. Results reflect a weighted average of winter and spring scores. EOC results for high school math and science courses taken by 8th graders are reported in middle school results.*

## 2018–19 State Reporting: Georgia's College and Career Ready Performance Index (CCRPI)

The College and Career Ready Performance Index (CCRPI) is the state's accountability system. Redesigned in 2018–19, it assesses how well students are prepared for college and careers and ensures that schools are focused on improving achievement among all students. The CCRPI recognizes a school's levels of student test performance as well as those students' improvements in performance across years and the school's progress in closing achievement gaps with traditionally underserved subgroups of students.

Schools earn CCRPI points based on indicators that vary by grade and school level and align with measures of college- and career-readiness. For 2018–19, high schools earned up to a set number of points in five main categories, for a total of 100 possible points. Here are the factors considered in awarding points at the high school level in each category:

- **Content Mastery points** increase with greater percentages of students performing at high levels on the state's End of Course (EOC) assessments.
- **Progress points** are tied to the level of academic progress students make from year to year.
- **Closing Gap points** are earned as schools work to close the gaps between different groups of students, including students learning English, students living in poverty, and students with disabilities.
- **Readiness points** take into account factors that have an impact on students' college- and career-readiness, including reading ability; attendance; completion of accelerated coursework (AP, IB, or Dual Enrollment) and advanced academic, career/technical education, world language, or fine arts pathways; achievement of college-readiness scores on college-admission tests; success on End of Pathway assessments or completion of a work-based learning program; and preparation for coursework at a college/university in the Georgia Technical or University systems.
- **Graduation Rate points** are earned for four- and five-year graduation rates.

**About CCRPI Star Ratings...** Under CCRPI, schools are awarded star ratings in two areas— school climate and financial efficiency— using a five-star scale.

- **The School Climate rating** takes into account discipline and attendance data as well as perceptions of the quality and character of the school and its learning environment. Peachtree Ridge was awarded a School Climate star rating of ★★★★★.
- **The Financial Efficiency rating** is a measure that compares a school's spending per student to the overall academic performance of its students. The School Financial Efficiency ratings for 2018–19 were not published at the time 2018 CCRPI results were released in the fall. Once available, parents can find them here: <http://www.gadoe.org/CCRPI/Pages/default.aspx>.

	Peachtree Ridge	GCPS	State
<b>CCRPI Total Score</b>	<b>85.6</b>	<b>79.7</b>	<b>77.0</b>
Content Mastery (30%)	87.9	78.8	69.4
Progress (30%)	82.0	80.0	82.1
Closing Gaps (10%)	84.7	82.5	80.0
Readiness (15%)	83.5	76.9	74.5
Graduation Rate (15%)	91.1	82.0	82.6

*All CCRPI scores are out of 100 possible points. The Total Score is made up of five weighted subscores, each accounting for a percentage of the total score. The calculation for Peachtree Ridge HS's Total Score of 85.6 is 30% of 87.9 + 30% of 82.0 + 10% of 84.7 + 15% of 83.5 + 15% of 91.1.*

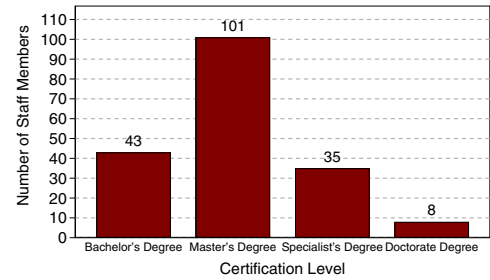

# Peachtree Ridge High School

## Other 2018–19 Highlights...

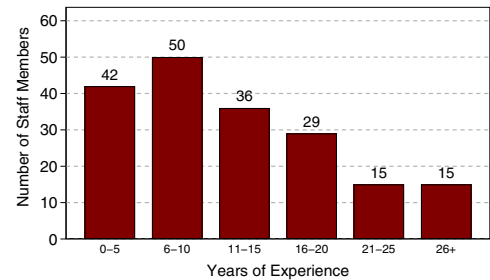

- Class of 2019 included six National Merit Finalists, county STAR student and teacher, and four U.S. service academy appointees.
- Peachtree Ridge was honored as one of the country's best high schools by *U.S. News & World Report*, earning an overall score of 93.
- PRHS was acknowledged by the Georgia Department of Education as a 2019 Advanced Placement (AP) Honor School in four categories—AP STEM, AP STEM Achievement, AP Humanities and AP Merit. Five students earned AP Capstone Diplomas and two earned an AP Seminar and Research Certificate. College Board recognized 166 AP Scholars, 98 AP Scholars with Honor, 170 AP Scholars with Distinction, and 51 AP National Scholars.
- Fifteen students were selected for the Governor's Honors Program.
- Thirteen students won 1st place at the Gwinnett Science, Engineering + Innovation Fair, with three earning Foundation scholarships. Two won the Grand Prize and advanced to international competition. One student presented at the Georgia Science & Engineering Symposium while two were selected for the poster session. The Robotics Team advanced to World Competition.
- PRHS' Readers Rally team was Division and GCPS champion.
- In state-level competition, students earned three top-10 awards for FBLA; three gold, silver, or bronze medals for FCCLA; 11 1st place awards at TSA; and 12 top-10 awards for DECA.
- Student musicians were selected for All-State Orchestra (14), Gwinnett County Youth Symphony (14), Emory Youth Symphony Orchestra (8), Metropolitan Atlanta Youth Wind Symphony (7), All-State Band (2), All-State Chorus (3), All-State Reading Chorus (1), National All-Honor Chorus (1), All National Honor Band (1) and International Wind Ensemble (1). Winterguard was the SAPA National Medalist.
- In national Scholastic Art Awards, students earned a Gold Medal and a Silver Medal, and 17 Keys in regional competition. Two students were selected for All-State Art Symposium and three students placed 1st in state-level Reflections competition.
- Teams advanced deep into state competition, including Boys Track & Field (2nd), Girls Golf (4th), Boys Basketball (Elite 8), Boys Tennis (Sweet 16), Girls Tennis (Sweet 16), and Girls Soccer (Sweet 16). In Flag Football, PRHS was inaugural Champions. Boys Track & Field was Region Champion. Boys Basketball, Boys Tennis, Girls Golf, and Girls Track & Field teams were Region Runners-up. Individuals had top finishes at State in Boys Cross Country (3rd), Boys Swim (2nd, 3rd, 5th, 5th), Boys Track & Field (1st, 2nd, 2nd), and Girls Track & Field (3rd). Ice Hockey was AA State Champion for the second consecutive year.

## 2018–19 Staff Data

Staff Certification Level

Experience in Education

## Student Data (2016–17 to 2018–19)

	School Year		
	16–17	17–18	18–19
<b>Enrollment</b>	3258	3275	3271
+American Indian/Alaskan Native*	0%	0%	0%
+Asian*	26%	27%	27%
+Black/African American*	28%	29%	29%

Average Attendance	96%	96%	96%

\*Not Hispanic or Latino

## School Safety Perceptions

Based on responses from those with an opinion who responded to the 2018–19 RBES Perception Survey...

- 88.1% of students agreed or strongly agreed that they felt safe at Peachtree Ridge High.
- 95.7% of parents agreed or strongly agreed that their child's school was safe.

*The mission of Gwinnett County Public Schools is to pursue excellence in academic knowledge, skills, and behavior for each student, resulting in measured improvement against local, national, and world-class standards.*
