Beginning in March, the Gwinnett County Board of Education will go on the road, as it does each year, meeting once in each Board member’s district. The meetings are a time for the School Board to share information with the public. They also are an opportunity to hear CEO/Superintendent J. Alvin Wilbanks’ annual address on the state of the school district, focusing on the district’s strategic direction, recent successes, and new initiatives. Using their smartphone, tablet, or laptop to access an interactive mobile website, audience members are encouraged to participate in a Q&A session with the Board and Superintendent on the information shared.

The 2019 Area Board Meetings are organized by cluster, with the families from several special entities and the Brookwood, Parkview, Shiloh, and South Gwinnett cluster schools attending the District IV meeting. (However, citizens may attend any one of the five meetings.) Those schools are:
