What is the attendance policy for summer school?

Because of the length of the class period (four hours) and the shortness of the summer school semester (17 days), students are required to attend class for a minimum of 16 days. Therefore, a student may miss no more than one day of summer school. A second absence will result in the student's withdrawal with no refund. All absences (excused and unexcused) count toward attendance. No exceptions will be made.

NOTE: Tardiness affects learning and is disruptive to the class. See consequences below:

Late to class (after the bell rings, in the first 30 minutes) = 1 tardy

3 tardies = 1 absence

Late to class (more than 30 minutes) = 1 absence

2nd absence = Withdrawal from summer school (no refund)

Is lunch served in the cafeteria during summer school?

Either the GCPS School Nutrition Program or local vendors will provide meal service for summer school students during the half-hour lunch break. Students also may bring their lunch from home. Students on campus for both 1st and 2nd period classes may not leave campus between classes for any reason. Leaving campus will result in a one-day suspension (an absence for attendance purposes).

What about final exams?

All students must take final exams, no exemptions. Final exams are scheduled for **July 2**:

1st period exam 7–9 a.m.

Break 9–9:15 a.m.
