GCPS Update for March 16-20:

Work schedules and decision to provide meals for students

Plans for GCPS employees for the week of March 16-20

On Thursday, March 12, Gwinnett County Public Schools announced that the week of March 16-20 would be Digital Learning Days for students. During next week's Digital Learning Days, all teachers who are leading digital lessons will work from home. All other school-based staff will report to school locations and all district staff will report to work. Transportation supervisors will communicate work details directly to bus drivers and monitors.

Meals for students during March 16-20:

As part of next week's (March 16-20) work schedule, School Nutrition staff and Transportation staff will coordinate to provide meals for students. GCPS will provide lunch for anyone 18 or younger at 68 school sites in the district. (The list of school sites is found on the next page.) These lunches will be provided at no cost to the individual through the federal School Nutrition Program. The student must be present to receive the meal. These 68 sites will be open from 11 a.m. to 1 p.m. for meal pick-up. In addition, GCPS school buses will make lunches available for pick up at bus stops near the 68 sites. Information about estimated delivery times at these bus stops will be shared on the GCPS website once they are finalized.

Note: On Thursday, March 19, Gwinnett County Public Schools will announce its plans for March 23-27, following a thorough review of the COVID-19 situation at that time.
