## Local School Plan for Improvement

### Creekland Middle School

Eddie B Maresh, *Principal*

Dr. Gwen Tatum, *Assistant Superintendent*

Accountability and flexibility are hallmarks of Gwinnett County Public Schools' success. Key to that success is ensuring that each school community understands the progress being made by its schools, as well as what plans will drive improvement. Each school creates a collaborative Local School Plan for Improvement (LSPI), with targeted goals based on student achievement results. These goals are dynamic, like our schools, and are updated to reflect changes that occur in schools. Data is used to determine areas needing improvement and to identify specific, measurable, annual objectives. Schools then determine how to use research-based strategies to achieve these goals, using flexibility as needed. The LSPI development process involves teachers, parents, and community members, so the entire school community has the opportunity to be involved in conversations about school improvement. Please contact the local school principal for more information about the school's plan and progress.

- **Long Term Goal**

Creekland Middle School will increase the percentage of students scoring in the "Proficient Learners" or "Distinguished Learners" range on the Georgia Milestones Assessment for English/Language Arts and Mathematics to 100% in 2018-19.

- o **Annual Goal**

Creekland Middle School students will show mastery in literacy and numeracy by scoring an average of 80% or higher on locally developed common unit assessments and on the GCPS Interim and Post Assessments in Language Arts, Mathematics, Science, and Social Studies.

- **Long Term Goal**

Creekland Middle School students will demonstrate mastery in mathematics with 100% of students scoring in the "Proficient Learners" or "Distinguished Learners" range on the coordinate algebra state assessment in 2018-2019 and mastery in physical science with 100% of students scoring in the "Proficient" or "Distinguished" range on the physical science state assessment in 2018-19.

- o **Annual Goal**

Creekland Middle School students will demonstrate mastery in physical science and math with 90% of students scoring in the Proficient Learner or Distinguished Learner range on the End of Course Test for Physical Science and Coordinate Algebra in 2014-15.
