Nine schools— Annistown, Baldwin, Bethesda, Camp Creek, Ivy Creek, Level Creek, Meadowcreek, Parsons, and Trip— offer a Dual Language Immersion program in which students learn in both English and Spanish, French, or Korean. Now in its seventh year, the program builds by one grade level every year, through high school. Registration for new kindergartners is open through **May 14** at 3 p.m. The schools will accept transfers if available slots are not filled by students in the school zone and families provide transportation. Families should complete online kindergarten registration on the website for their child's school (home school if seeking transfer) in addition to completing DLI registration. **Snap this QR code to learn more about this opportunity on the district website.
