Gwinnett County Public Schools (GCPS) celebrates our educators and the work they do to deliver on The Promise of Gwinnett! We know that what happens each and every day in the classroom helps our students to fulfill their promise. That is one reason why GCPS created a Teacher Attendance Recognition Program to recognize teachers who have perfect attendance each school year. In 2017–18, a group of 300 Gwinnett teachers met the perfect attendance criteria. The names of these teachers appear in this publication. Individually, they will be recognized at the October and November 2018 meetings of the Gwinnett County Board of Education. In addition, attendance trophies will be awarded to the elementary, middle, and high school having the highest teacher attendance rate for the school year.

GCPS salutes these teachers and realizes that their consistent presence in the classroom is a foundational premise to student success. No question about it... They deliver on The Promise of Gwinnett every day, making a difference in the lives of students!

Delivering on The Promise every day

GCPS salutes its teachers who had perfect attendance for the 2017–18 school year.
