Beginning in March 2018, the Gwinnett County Board of Education will go on the road, as it does each year, meeting once in each Board member’s district. The meetings are a time for the School Board to share information with the public. They also are an opportunity to hear CEO/Superintendent J. Alvin Wilbanks’ annual address on the state of the school district, focusing on the district’s strategic direction, recent successes, and new initiatives. This year, audience members will be able to ask the Board and Superintendent questions about the information shared, using their smartphone, tablet, or laptop to access an interactive mobile website.

The 2018 Area Board Meetings are organized by cluster, with the families from several special entities and charter schools and the Duluth, Norcross, North Gwinnett, and Peachtree Ridge cluster schools attending the District III meeting. (However, citizens may attend any one of the five meetings.)
