Local School Plan for Improvement

Baldwin Elementary School

Dr. Brenda Johnson, *Principal*

Dr. Kelli McCain, *Assistant Superintendent*

Accountability and flexibility are hallmarks of Gwinnett County Public Schools' success. Key to that success is ensuring that each school community understands the progress being made by its schools, as well as what plans will drive improvement. Each school creates a collaborative Local School Plan for Improvement (LSPI), with targeted goals based on student achievement results. These goals are dynamic, like our schools, and are updated to reflect changes that occur in schools. Data is used to determine areas needing improvement and to identify specific, measurable, annual objectives. Schools then determine how to use research-based strategies to achieve these goals, using flexibility as needed. The LSPI development process involves teachers, parents, and community members, so the entire school community has the opportunity to be involved in conversations about school improvement. Please contact the local school principal for more information about the school's plan and progress.

- **Long Term Goal**

All students in grades K - 2 will perform on or above the district average in the areas of mathematics and literacy (reading and writing). Achievement will be measured using GKIDS, SPG, and district assessments

- o **Annual Goal**

100% of kindergarten students will meet and/or exceed the standard on the Georgia Kindergarten Inventory of Developing Skills (GKIDS). Additionally, kindergarten students will perform at 75% or higher in the areas of mathematics and literacy (reading and writing) on the end of the year SPG assessment.

- o **Annual Goal**

Students in grades 1 and 2 will perform at 80% or higher on the end of the year district and SPG assessments.

- **Long Term Goal**

100% of students in grades 3 - 5 will perform at the proficient and/or distinguished level on the English/Language Arts and mathematics Georgia Milestones Assessment System (GMAS) with 25% of all students performing at the distinguished level. Additionally, 100% of Grade 5 students will perform at the proficient and/or distinguished level in the areas of science and social studies on the GMAS.

- o **Annual Goal**

80% of students in grades 3, 4, and 5 will perform at the proficient and/or distinguished level on the English/Language Arts and mathematics GMAS with 25% of students performing at the distinguished level. Additionally, students in grades 3 - 5 will perform at 75% or higher on the math and reading SPG and district assessments.

- **Long Term Goal**

We will build our parents' capacity to support their children's academic achievement by implementing the activities identified in the Parent Involvement Policy and School/Parent Compact.
