

2018 Area Board Meetings

Gwinnett County Board of Education

Beginning in March 2018, the Gwinnett County Board of Education will go on the road, as it does each year, meeting once in each Board member's district. The meetings are a time for the School Board to share information with the public through CEO/Superintendent J. Alvin Wilbanks' annual state-of-the-school district address, focusing on its strategic direction, recent successes, and new initiatives. This year, audience members will be able to ask the Board and Superintendent questions about the information shared, using their smartphone, tablet, or laptop to access an interactive mobile website.

The 2018 Area Board Meetings are organized by cluster. (However, citizens may attend any one of the five meetings.)
